INFORMATION FOR EMPLOYERS

Manor College maintains a job posting board for our current students. You may post openings for full or part-time positions, summer jobs, internships, and externships, as well as volunteer opportunities. You do not need to be part of a formal organization or company to post jobs. To post an open position, please send the pertinent information to careercenter@manor.edu. To advertise paralegal positions, please contact Professor Diane Pevar, Program Director for Paralegal Studies, at 215-885-2360 x 259, or send the information directly to her email account, dpevar@manor.edu. There are several ways to advertise open Veterinary Technician positions; please visit the employer page of the program website, <http://www.manorvettech.com/job.html>, for more information.

If you would like to visit our campus for in-person recruiting, please contact the Manor College Career Center at 215-885-6299. You may schedule an individual date for on-campus recruitment and/or participate in our annual Job Fair, which is usually held in late March to early April.

Manor College is a private, Catholic, co-ed two-year college, located in suburban Montgomery County, Pennsylvania. Manor offers both liberal arts and career-oriented transfer and Associate degree programs. Manor strives to provide its students with a personalized education that promotes a wide breadth of learning and enables students to develop fully as individuals – intellectually, psychologically, morally and spiritually.

We appreciate your interest in our students.
