

PHYSICAL THERAPY TRANSFER

PROGRAM DESCRIPTION

The pre-occupational therapy and pre-physical therapy programs at Manor College allow the student to complete the first two years of the necessary coursework required transfer to a four year college to complete a bachelor's degree. The program provides the foundation in the sciences and liberal arts required for the student to develop interpersonal, critical thinking, and problem solving skills necessary for success in the therapy field. Students will then have the credentials necessary to transfer to a Master's program in occupational therapy or a doctor of physical therapy program (DPT).

"Manor is a close-knit community which allowed me to become close with my peers and professors. These relationships are what motivated me to not only become a better person, but a better student as well. Manor will always be considered my home!"

- Julie

WHY YOU SHOULD CHOOSE MANOR

Manor College provides small laboratory sciences classes and personalized advising. Manor College has a variety of articulation or dual enrollment agreements making the transfer process seamless. Manor College also provides opportunities for observation placement where students spend 80 hours for skills observation and limited hands on experience.

AFFORDABILITY

At Manor College 96% of students receive financial aid. Manor is committed to making our personalized education experience possible for all students, both academically and financially. Manor offers competitive tuition, financial aid options such as merit-based scholarships and athletic scholarships (for eligible sports). You'll find Manor is an affordable place to start your education!

CAREER OPPORTUNITIES

Physical therapists help people who are mentally, physically, developmentally, or emotionally disabled. They work with individuals to help them improve basic motor and reasoning functions as well as compensate for permanent loss of function. Physical therapists possess creative skills in order to design or make special equipment for their patients. Typically, physical therapists work in private offices and clinics, hospitals, and long term care facilities.

ADMISSIONS

Manor continually reviews and accepts applications, making it easy to become part of our community. In addition to the general admissions criteria for Manor College, students admitted to the Allied Health Transfer Programs must have successfully completed:

- 1 yr. of biology with lab and 1 yr. of chemistry with lab at the high school level with grades of C or better
- At least 2 yrs. of high school level math including Algebra or 1 college level algebra course with grades of C or better
- A minimum high school GPA of 2.7 and a combined SAT score (critical reading plus mathematics) of 750 or better.

TIP: Apply sooner than later! With our rolling admissions policy, we process applications throughout the year in the order received. This means more certainty in your future, as you'll receive an admissions decision within two weeks of completing all procedures.

You'll also be further along in the enrollment process, which improves your chances for scholarships and financial aid and for getting your first selections for class times and professors.

TRANSFER AGREEMENTS

Course Equivalencies:

Temple University, Thomas Jefferson University, University of the Sciences Philadelphia

Dual Enrollment:

LaSalle University: BS Biology; Delaware Valley University: BS Biology; Gwynned-Mercy University: BS Biology; Holy Family University: BS Biology, Biochemistry; Immaculata University: BS Biology

OCCUPATIONAL THERAPY TRACK PHYSICAL THERAPY TRACK

RECOMMENDED CURRICULUM SEQUENCE

FIRST SEMESTER

- BI 101 Biology 1 (4 credits)
- CH 101 Fundamentals of Chemistry 1(4 credits)
- EN 101 (Communication Skills Core) (3 credits)
- Quantitative Reasoning Core (MH 103 or MH 104) (3 credits)
- PS 101 (Understanding Behavior and Society Core) (3 credits)

SECOND SEMESTER

- Science Elective (BI 102 Biology II recommended) (4 credits)
- Science Elective (CH 102 Fundamentals of Chemistry II recommended) (4 credits)
- EN 102 (Information Literacy Core) (3 credits)
- Social Science Elective (PS 102 Developmental Psychology recommended) (3 credits)
- PL 100 (Critical Thinking Core) (3 credits)

THIRD SEMESTER

- BI 201 Anatomy & Physiology I (4 credits)
- IST 105 (Technological Competency Core) (3 credits)
- Diversity and Global Awareness Core (3 credits)
- Elective: PS 201 Abnormal Psychology Recommended (3 credits)
- Elective: PH 201 Physics I Recommended (4 credits)

FOURTH SEMESTER

- BI 202 Anatomy & Physiology II (4 credits)
- Spiritual and Ethical Values Core (3 credits)
- Elective: MH 203 Statistics Recommended (3 credits)
- Elective: PH 202 Physics II Recommended (4 credits)
- AH 100: Observation Placement (3 credits)

Total Credits 65
