

MANOR WELCOMES MEN TO OUR NONTRADITIONAL PROGRAMS

In spite of what you may think, there's no such thing as a "man's job" or a "woman's job." Skill requirements don't have a gender, so why should jobs?

MANOR COLLEGE WELCOMES MEN TO THESE NONTRADITIONAL PROGRAMS:

- Allied Health and Nursing
- Early Childhood Education
- Dental Assisting
- Dental Hygiene
- Veterinary Assisting

The term **nontraditional careers** refers to jobs that have been traditionally filled by one gender. The US Department of Labor defines nontraditional occupations as occupations for which individuals from one gender comprise less than 25% of the individuals employed in each such occupation.

MEET MARK LEONARD

Mark Leonard, Class of 2014 is an Allied Health Nursing Major, a forward on our Men's Soccer team, a student leader for our Orientation programs and works in our Admissions department as a work-study. Mark is an involved student on campus who is studying in a nontraditional program for his gender. He loves being a Manor College student and says that he is so glad that he chose Manor College.
