Student Medical Form

Please contact Manor Health Services with questions:
Phone: 215-885-2360 ext. 241 | Fax: 215-572-0341
Email: healthservices@manor.edu

Welcome Manor College student,

1. Fill out the student information on page 2 with name, starting semester, and permission to treat.
2. Have your physician complete the following physical examination (page 3).
3. Return this **entire** form to Health Services in enclosed envelope.

All students must have:
1. Vaccine records including Tetanus (within last 10 years), MMR series, Hepatitis B series, and Varicella

Dorm students are also required to have:
1. Meningitis vaccination
2. TB Questionnaire- completed by incoming students

Vet Tech students are also required to:
1. Complete the enclosed Vet Tech Verification Form and follow all instructions given
2. Return original copy of this form to Vet Tech
3. Return one xeroxed copy to Health Services in provided envelope

Dental Students are also required to have:
1. PPD test results annually
2. Return original copy of this form to Dental
3. Return one xeroxed copy to Health Services in provided envelope

International students must:
1. Submit proof of health insurance coverage valid in the United States

This form must be received prior to Aug. 1st for fall residence hall students and Jan. 1st for spring residence hall students. All others must submit form prior to the start of classes.

It is recommended that you keep a second xeroxed copy of this form for your records.

Insurance: All students are encouraged to carry health insurance. Certain academic programs require health insurance. Student health insurance information is available through the Student Engagement Office. All those wishing to participate in Manor's Intercollegiate athletic programs must carry some form of health insurance prior to the start of the season's practice. All international students must submit proof of health insurance coverage valid in the United States.

Immunization Policy: A medical form that includes immunization records must be completed and signed by a medical provider as well as the student or his/her parent. This form must be submitted upon admission to Manor College. Grades will be withheld until the completed form is filed with the Health Services Office. Be aware that certain immunizations are required for specific majors. Stu-dents are advised to follow the directions on the Medical Health Form or check with their program advisors.

Manor College Required Immunizations for Students

Student Name: ______________________ Date of Birth: ______________

Tdap booster within last 10 years ** must have one documented	Mo. /day/year	

Measles/Mumps/Rubella: 2 doses of MMR at least 28 days apart after 12 months of age OR labratory proof of immunity (blood titer) to measles/ mumps/rubella. It titers are negative or equivocal, administer MMR series with doses at least 28 days apart. No titer is required after series completion.

MMR - 2 required on or after 1st birthday	(#1) Mo./day/year	(#2) Mo./day/year
OR		
MMR Titer *must attach laboratory results	Date of Titer	Result

OR

Varicella: 2 doses of Varicella at least 4 weeks apart or laboratory proof of immunity to varicella. If titer is negative or equivocal, administer Varicella series with doses at least 4 weeks apart. No titer is required after series.

Varicella 2 doses	(#1) Mo./day/year	(#2) Mo./day/year
OR		
Varicella Titer *must attach laboratory results	Date of Titer	Result

Hepatitis: 3 doses of hepatitis B vaccines or a positive ($\geq$ 10 mlU/mL) serological quantitative hepatitis B surface antibody titer (HBsAb) 1-2 months after the date of the last vaccine is considered proof of lifelong immunity .

Hepatitis B Series 3 doses required	(#1) Mo./day/year	(#2) Mo./day/year	(#3) Mo./day/year
Hepatitis B Quantitative Titer *must attach laboratory results	Date of Titer	Result	

Tuberculin Skin Test (TST): Required for all dental students, all other students must complete TB screen questionnaire on page 5 and TB test information and/or lab results when indicated.

TST placed within the past 12 months	1st TST Place date	1st TST Read date	Result
OR			
IGRA TB Screening *must attach lab results ____ T-Spot ____Quantiferon Gold	Date of IGRA	Result	
Meningitis: 1 dose after 16th birthday	#1 mo/day/year	#2 mo/day/year	

Part I. Tuberculosis (TB) Screening Questionnaire

required for all boarding students

1. Have you ever had close contact with persons known or suspected to have active TB disease? ☐ Yes ☐ No

2. Were you born in one of the countries listed below that have a high incidence of active TB disease? (If yes, please CIRCLE the country below) ☐ Yes ☐ No

Afghanistan
Algeria
Angola
Argentina
Armenia
Azerbaijan
Bahrain
Bangladesh
Belarus
Belize
Benin

Source: World Health Organization Global Health Observatory, Tuberculosis Incidence 2012. Countries with incidence rates of ≥ 20 cases per 100,000 updates, refer to http://apps.who.int./ghodata

3. Have you had frequent or prolonged visits to one or more of the countries listed above with a high prevalence of TB disease? (If yes, CHECK the countries above) ☐ Yes ☐ No

4. Have you been a resident and/or employee or high-risk congregate settings (e.g., correctional facilities, long-term care facilities, and homeless shelters)? ☐ Yes ☐ No

5. Have you ever been a volunteer or health-care worker who served clients who are at increased risk for active TB disease? (e.g., correctional facilities, long-term care facilities, and homeless shelters)? ☐ Yes ☐ No

6. Have you ever been a member of any of the following groups that may have an increased incidence of latent M. tuberculosis infection or active TB disease - medically underserved, low-income, or abusing drugs or alcohol? ☐ Yes ☐ No

6. Have you ever been a member of any of the following groups that may have an increased incidence of latent M. tuberculosis infection or active TB disease - medically underserved, low-income, or abusing drugs or alcohol? ☐ Yes ☐ No

If the answer is YES to any of the above questions, Manor College requires that you receive TB testing as soon as possible but at least prior to the start of the subsequent semester. Please complete Part II.

If the answer to all of the above questions is NO, no further testing or further action is required.

** The significance of the travel exposure should be discussed with a health care provider and evaluated.*

Part II. Clinical Assessment by Health Care Provider

Clinicians should review and verify the information in Part I. Persons answering YES to any of the questions in Part I are candidates for either Mantoux tuberculin skin test (TST) or Interferon Gamma Release Assay (IGRA), unless a previous positive test has been documented.

History of a positive TB skin test or IGRA blood test? (If yes, document below) **Yes** _____ **No** _____
History of BCG vaccination? (If yes, consider IGRA if possible.) **Yes** _____ **No** _____

1. TB Symptom Check
Does the student have signs or symptoms of active pulmonary tuberculosis disease? **Yes** _____ **No** _____
If No, proceed to 2 or 2
If yes, check below:

- ☐ Cough (especially if lasting for 3 weeks or longer) with or without sputum production
- ☐ Coughing up blood (hemoptysis)
- ☐ Chest pain
- ☐ Loss of appetite
- ☐ Unexplained weight loss
- ☐ Unexplained weight loss
- ☐ Night sweats
- ☐ Fever

Proceed with additional evaluation to exclude active tuberculosis disease including tuberculin skin testing, chest x-ray , and sputum evaluation as indicated.

2. Tuberculin Skin Test (TST)
(TST result should be recorded as actual millimeters (mm) of induration, transverse diameter; if no induration, write "0". The TST interpretation should be based on mm of induration as well as risk factors.)**

Date Given: _____/ _____ / _____ (M D Y) Date Read: _____ / _____ / _____ (M D Y)
Result: __________ mm of induration ** Interpretation: positive _____ negative _____

3. Interferon Gamma Release Assay (IGRA)
Date Obtained: _____ / _____ / _____ (M D Y) (specify method) QFT-GIT T-Spot other _____
Result: negative _____ positive _____ indeterminate _____ borderline _____ (T-Spot only)

Date Obtained: _____ /_____ / _____ (specify method) QFT- GIT T-Spot other _____

Result: negative _____ positive _____ indeterminate _____ borderline _____ (T-Spot only)

Statement of Exemption to College and University

Student's Name:____ Date of Birth: ___________________

I have given a copy and have read, or have had explained to me, the informationin the Meningococcal Vaccine Information Statement for Meningococcal disease. I have had a chance to ask questions that were answered to my satisfaction. I believe that I understand the benefits and risks of the vaccine required. However, I am requesting exemption from Senate Bill No. 955, the College and University Student Vaccination Act.

Medical Exemption

The physical condition of the above named student is such that immunication would endanger life or health.

Signed (physician): ___________________________________ Date: _________________________________

Religious/Other Exemption

(Include a strong moral or ethical conviction similar to a religious belief.)

I, ___________________________, adhere to a religious belief whose teachings are opposed to such immunizations.

Please state your reason for requesting a religious exemption: _______________________________________

____

Student Signature: ____

(Parent/guardian signature if student is under 18 years old)

I hereby state that, to the best of my knowledge, my answers to the above questions are complete and correct.

Signature of Student : ____ Date: ____________________

Signature of Parent/ Guardian (if under 18): ___________________________ Date: ____________________

a.) Physician Certification of Meningococcal Vaccine

I certify that the above named individual received a meningococal vaccine.

Physician Signature:____ Date: ____________________

Print Physician Name:____
