A LETTER FROM THE PRESIDENT

In these first two years I've been blessed to experience first-hand the strong and expanding impact our amazing college has on the world. On a personal note, I also came to realize quickly that Manor has a close-knit family atmosphere, one where Christ's love for one another is present and thriving. Manor has more than a mission, it is a mission of gracing students.

We foster an excellent education for our students. By subscribing to "who we are," students from all backgrounds and environments succeed at Manor College. We have something exceptional at Manor, something unique in the world, and we need to ensure that this light shines for all who enter our holy halls. Adding to our uniqueness is our commitment to honoring and celebrating our institutional Ukrainian

Catholic heritage. The strength of this commitment continues to deepen, just like our faith commitment to maintaining a hospitable and respectful campus for all faiths and backgrounds.

With your help making our mission a lived reality, we've changed lives. And as we look ahead, we'll do even more together.

Thank you and may God bless you always,

Jonathan Peri
