

ASSOCIATE IN SCIENCE

BUSINESS ADMINISTRATION

PROGRAM DESCRIPTION

Business administration practices apply to almost every organization—from major corporations to small businesses. The world runs on business, and people with business skills are needed across all industries, institutions, and organizations.

A general business administration degree prepares students for the realities of the business world and opens up career options in different business sectors.

Also available as a fully online program!

AFFORDABILITY

At Manor College, 96% of students receive financial aid. Manor is committed to making our personalized education experience possible for all students, both academically and financially. Manor offers competitive tuition, financial aid options such as merit-based scholarships, and athletic scholarships (for eligible sports). You'll find Manor is an affordable place to start your education!

ADMISSIONS REQUIREMENTS

Manor continually reviews and accepts applications, making it easy to become part of our community.

TIP: Better to apply sooner than later! With our rolling admissions policy, we process applications throughout the year in the order received. This means more certainty in your future, as you'll receive an admissions decision within two weeks of sending in all of your documents. You'll also be further along in the enrollment process, which improves your chances for scholarships and financial aid—and for getting your first selections for class times and professors.

MINIMUM REQUIREMENTS:

GPA: 2.0 • SAT*: 720 (new scale)

*SAT not required but encouraged for scholarships
