

ASSOCIATE IN SCIENCE

ACCOUNTING

PROGRAM DESCRIPTION

Accountants work in a high demand, professional field, working with numbers and people to help make the business as successful as possible.

As an accountant, you will prepare and analyze financial statements, budgets, cost reports and financial plans. Some professional opportunities for accountants include working in all facets of business including: commerce, business, law enforcement, non-profits and government positions.

AFFORDABILITY

At Manor College, 96% of students receive financial aid. Manor is committed to making our personalized education experience possible for all students, both academically and financially. Manor offers competitive tuition, financial aid options such as merit-based scholarships, and athletic scholarships (for eligible sports). You'll find Manor is an affordable place to start your education!

ADMISSIONS REQUIREMENTS

Manor continually reviews and accepts applications, making it easy to become part of our community.

TIP: Better to apply sooner than later! With our rolling admissions policy, we process applications throughout the year in the order received. This means more certainty in your future, as you'll receive an admissions decision within two weeks of sending in all of your documents. You'll also be further along in the enrollment process, which improves your chances for scholarships and financial aid—and for getting your first selections for class times and professors.

MINIMUM REQUIREMENTS:

GPA: 2.0 • SAT*: 720 (new scale)

*SAT not required but encouraged for scholarships
