We Are Looking for Veterinary Nurses!

*Do you enjoy the challenges and fast pace of emergency/specialty medicine?
Are you self-motivated AND a great team player?
Do you possess outstanding communication skills?
Are you looking to work with a team of skilled individuals?
Do you love animals?*

We offer an amazing opportunity to combine all of these into one dream job!

About CARES - The Center for Animal Referral and Emergency Services (CARES) is a 24/7/365 emergency and specialty referral veterinary hospital located in Bucks County, PA. CARES is a VECCS Certified Level 1 Facility. In addition to a state-of-the-art Emergency and Critical Care unit, we offer numerous specialty services, including Anesthesiology, Cardiology, Diagnostic Imaging, Internal Medicine, Neurology, Oncology, Ophthalmology, Pathology and Surgery. At CARES, we believe that pets come first. We strive to make the CARES experience one that provides the highest quality, compassionate and Fear Free environment for pets and their families. CARES emphasizes a positive culture of teamwork, work/life balance, and caring for its associates.

About the Job - Our hospital is expanding and we are looking to find experienced nurses that want to work in an altruistic environment. We foster a culture for our team that allows everyone to contribute to making CARES a "Great Place to Work".

Job responsibilities include but are not limited to:

- Basic and Advanced Technical skills
- Upholding the standard of care and continually striving for medical excellence and innovation.
- Encouraging associates' growth and developing new talent.
- Working with associates to actively maintain positive hospital culture.

Various shifts are currently available. All team members are required to work some holiday shifts. Our team is currently looking for full-time veterinary nurses for the following positions:

- Emergency/ICU Nurse- Overnight Positions
- Emergency/ICU Nurse - Weekends
- Emergency/ICU Nurse- Mid-shift Positions
- Instrument/Surgical Scrub Assistant
- Internal Medicine Nurse
- ER Administrative Nurse
- Anesthesia Recovery Nurse

CARES offers a competitive salary, incentive program, and generous benefits package, including health, dental, and vision insurance, 401(k), paid time off, and CE allowance.

We are currently offering a sign-on bonus commensurate with experience for qualified CVT's. Don't miss out on this opportunity!

About You - In addition to exceptional veterinary nursing skills and a genuine service attitude, successful candidates will have:

- Strong computer skills—knowledge of Apple OS a plus
- Ability to think "outside the box"
- Ability to integrate new information into problem solving
- Proven decision-making skills leading to the most appropriate course of action

We look forward to hearing from interested candidates with the capacity and drive to help us advance and provide the best service to our clients and patients.

Interested applicants should email Jessica Kerr. Please provide resume, cover letter, and salary requirements.
