MANOR PLEDGE

Do your part to help maintain the well-being of yourself and your family, friends, colleagues, classmates, university and community. Learn what you can do to keep the Manor family safe, and take the Manor College Community Pledge.

The pledge is a voluntary way to show your Manor community that you care.

I PLEDGE TO:

1. PROTECT MYSELF

Wash my hands often with soap and water or use hand sanitizer.

Monitor for the symptoms of COVID-19 and report to a medical professional if I experience fever of 100.4 F (38 C) or higher, dry cough, difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat or loss of taste or smell.

Get vaccinated for the flu in the fall.

2. PROTECT OTHERS

Wear an appropriate face mask that covers my mouth and nose.

Maintain appropriate social distancing of at least 6ft apart at all times while on campus and when I am out in my community.

Stay home if I feel ill or after exposure to someone who is ill or has tested positive for COVID-19.

3. PROTECT OUR MANOR COLLEGE COMMUNITY

Carefully observe instructional signs and follow directions

Keep my clothing, belongings, personal spaces and shared common spaces clean.

Participate in testing and contact tracing to preserve the wellness of the community.
