Graduation Requirements

All graduating seniors must have a 2.0 cumulative GPA as well as complete each major requirement.

If a student is transferring credits from another institution, official transcripts must be received by the Registrar's Office prior to the start of their last semester. *Credit for courses taken at other institutions can only be given based on an official transcript.*

In order to participate in commencement and receive a diploma, all financial obligations to the college must be fulfilled prior to December 1st for December graduates, April 1st for May graduates, and June 1st for August graduates.

I understand that my eligibility for graduation is dependent upon my successful completion of all course and grade requirements for my major.
