

MANOR
COLLEGE

Program of Veterinary Technology

Uniform Policy

All students in the Program of Veterinary Technology are required to purchase and wear the following uniform to all veterinary technology lectures, laboratories and field trips:

1. Ceil blue (light blue)* V-neck scrub shirt and scrub pants.
Make sure the scrub pants fit comfortably and accommodate bending and squatting. You will be required to be in full uniform by the second week of class. When needed, white shirts should be worn under the scrub top; this is particularly recommended if the V-neck hangs too low.
2. Comfortable white sneakers or white nursing shoes (non-mesh).
3. Name tag to be ordered from Veterinary Apparel Company (SKU# 21300)
Two (2) lines, white with black letters* that reads:
First and last name
Manor College VT Student
Magnetic nametags are preferred
Must be worn in all VT classes and on field trips
4. Make-up and jewelry must be minimal.

Specific attire for freshman year:

5. Navy blue* unisex wrap-around lab coat, ordered from Veterinary Apparel Company (SKU# 10700)
6. For laboratories held at the barn and for required barn shifts (VT107 Animal Handling and Husbandry), you will need:
 - Navy Blue* coveralls ordered from Veterinary Apparel Company. Short (SKU# 108AR) or long sleeve (SKU# 108BR) is acceptable.
 - Short sleeves are recommended for the fall semester and long sleeves are recommended for the spring semester.
 - Specific footwear required:
 - Please wear some type of sturdy boot that completely covers the whole foot, and is practical for the environment, like leather timberland boots.

- You will also want to purchase knee high rubber boots than can be hosed down for trips to regional farms with cattle, or you may choose to purchase water resilient rubber overshoes, like Tingley rubber overshoes. May be found at Galeton.com, for example.

Veterinary Apparel Company (VAC) 847 Main Street Battle Creek, MI 49015 (800) 922-1456 (for phone orders) www.veterinaryapparel.com	OR	All Seasons Uniform 1319 Howard Street Elk Grove Village, IL Phone number: (847) 952 9860 www.allseasonsuniforms.com
--	----	--

Specific attire for sophomore year:

7. You will need a long sleeved, cuffed, clinic jacket that snaps, buttons or zips up for your sophomore labs. You may choose any color except white or you may choose a print.

Additional requirements:

8. Wristwatch with second hand or digital display.
9. You will need a stethoscope. Recommended stethoscopes are:
 - Littmann Master Classic II
 - Ren-lor Single Adult (only through renlor.com)
 - Littmann Cardiology III adult/pediatric combo

The online medical supply store, Allheart at www.allheart.com carries all the Littman stethoscopes and frequently runs 20% off sales.

* No other color may be used

Directions for purchasing clothing in a store:

Students can also purchase uniforms at any of the following regional stores. Ordered uniforms may be picked up at the store or shipped to a home address. Please do not have uniforms shipped to the VT Office.

Slom's Professional Uniforms 1475 Old York Road Abington PA 19001 (215)576-6170	Scrub Pro Uniforms Adams Plaza 817, 819 Adams Ave Philadelphia, PA 19124 http://www.scrubpro.com/ (215) 289-1029
---	--

Directions for purchasing from Veterinary Apparel Company:

1. Go to www.veterinaryapparel.com.

VAC or Veterinary Apparel Company is also located at:

847 Main Street

Battle Creek, MI 49015

1 (800) 922-1456

2. Enter the item's SKU# provided above in the search bar to find what you need

3. For the name badge: Select "white/black" for the color. Click on "Add Customization". On the first line, type-in your first and last name. You should use the name by which you wish to be called. For example, if your name is Catherine, but everyone calls you "Katie", then use your nickname Katie on the badge. On the second line, type "Manor College VT Student". Magnetic nametags are preferred.
