

The Learning Center – an academic support and learning support resource center at Manor College – is seeking professional Chemistry Tutors.

Requirements:

- You are a currently certified teacher or have held a teaching certification in the past, or you are a current graduate student in the field of chemistry.
- You have tutoring or teaching experience.
- You are comfortable working with diverse students who might be struggling with course material
- You have excellent communication skills and a friendly approach
- You are willing to try various methods to teach content matter to students
- You are able to work with students online
- You are able to promote Manor College's Basilian Mission
- Bachelor's degree required. Master's degree preferred

Compensation:

- \$15.00/hour for Professional tutors (tutors who have a Bachelor's degree or higher in the subject area or an affiliated relevant subject area)
- Flexible schedule

Interested?

If you are qualified and interested, please send a letter of interest and a copy of your resume/CV to the attention of Elinore Leonards, Learning Center Director, at eleonards@manor.edu
