**Where Alumni Work**

Build a strong foundation for your financial future with our Bachelor of Science in Accounting. You'll learn essential accounting principles, financial reporting, auditing, and taxation. Plus, you'll have the opportunity to tailor your studies with elective courses, allowing you to specialize in areas like financial accounting, managerial accounting, or taxation. Gain the skills and knowledge you need to succeed in a variety of accounting careers.

## Why You Belong Here

Our Accounting degree program provides you with a solid foundation in accounting practices and procedures. Courses focus on broad accounting concepts and issues, but also develop the communication, technical and interpersonal skills necessary to succeed in the professional world. With a 12:1 student to teacher ratio, Manor College offers a unique personalized learning experience.

**The programs will be offered in a flexible format to accommodate working professionals:**

**Full time:** Classes available at different times during the week.

**Part time:** Evening and weekend classes to minimize disruption to work and personal commitments.

**Online:** Asynchronous online courses with live virtual sessions for interactive learning.

**Hybrid:** A combination of in-person and online classes to provide a balanced learning experience.

For more information, call **215-884-2216** or email [admissions@manor.edu](mailto:admissions@manor.edu).
