

ASSOCIATE OF ARTS IN EARLY CHILDHOOD EDUCATION

An Early Childhood Education degree will help you develop the necessary skills in observing and assessing young children and in planning developmentally appropriate curriculum in all subject areas.

Where Alumni Work

Manor College's Early Childhood Education program places heavy emphasis on using developmentally appropriate practices with children. The program provides students with authentic and innovative experiences to learn course content while aligning with standards set from the National Association for the Education of Young Children and the Pennsylvania Department of Education.

Additionally, this program can be transferred into a baccalaureate certification program at Manor College.

Why You Belong Here

Manor College's small class sizes and personal advising ensure that every student will be able to **experience quality education and success**. The program strongly supports Manor College's Mission as it prepares students to compassionately serve all segments of society.

Manor College offers a **variety of scholarships for students**. These include merit-based scholarships, state grants and partial tuition scholarships.
